Project Description						
Expansion of Summer Feeding Program thru additional signage including banners, sandwich boards, flyers, poster which were displayed throughout the community area including Avondale, Goodyear, Litchfield Park, Glendale, Buckeye, and county Island.						
Amount Received						
\$2000.00						
How did this project make a difference in reducing childhood hunger in Arizona						
We were able to increase the number of children served breakfast and lunch meals by over 50,000 meals over the summer						
Number of children served						
126,000						
Number of meals served						
Over 50,000						
Number of snacks served						
Additional advertizing materials were purchased and placed throughout the community service areas.						
Description of meals/snack served						
Description of most popular meal/snack served						
What improvement/impact was made						
Due to the additional signage and PR activities, we were able to increase from 76K children meals to 126K children meals which is over a 50% increase in number of children served.						
How did you measure the success of the project						
Will the program continue						
Yes, we are currently discussing with neighboring schools districts on partnering to allow breakfast, lunch, and dinner to be served at 50 sites throughout the west valley for the summer of 2010						
Additional Information
